

**Policy on the Employment of  
Reservists and Armed Forces Veterans  
2018-21**

## 1. Introduction

The first part of the paper discusses the role of the Reserve Bank of India (RBI) in the financial system. It highlights the RBI's primary objective of maintaining price stability and its role in regulating the money supply. The paper also discusses the RBI's role in promoting financial inclusion and its efforts to improve the efficiency of the financial system.

The second part of the paper discusses the role of the RBI in the financial system. It highlights the RBI's primary objective of maintaining price stability and its role in regulating the money supply. The paper also discusses the RBI's role in promoting financial inclusion and its efforts to improve the efficiency of the financial system.

1985, if it believes that the employee's absence on military service is likely to do 'serious harm' to the business of the University, the University may apply to the Employment Tribunal for an order requiring the employee to return to work.

### 7. Recruitment of Armed Forces veterans

As part of the University's commitment to diversity and inclusion, we are committed to recruiting and supporting Armed Forces veterans. We will work with the Government's Career Transition Partnership to support veterans in finding employment.
